CISO Executive Membership: \$995

The role of information security executives continues to be defined and redefined as the integration of business and technology evolves. While these new positions gain more authority and responsibility, peers must form a collaborative environment to foster knowledge and influence that will help shape the profession. ISSA recognizes this need and has created the exclusive CISO Executive Membership program to give executives an environment to achieve mutual success. For more information about CISO Executive Membership, please visit the CISO website – <http://ciso.issa.org>.
